GENERAL DESCRIPTION

This is a fantastic opportunity to acquire a luxury 4 bedroomed bungalow, large separate garage and a modern, commercial building which is set on c. 1.78 acres in a sought-after village in S.E Wexford.

The commercial building is close to but separate from the main dwelling with a parking area to the front. The building is modern, fully insulated and has up to date modern electrics (L3) and fully compliant fire alarm. There is a kitchen / laundry room equipped with a washing machine, dryer, dishwasher, and a storeroom. There is disabled access throughout the building including a disability W.C.

This building could be easily adapted to lend itself to a variety of uses such as a Boat / Car / Motorbike garage / store, gym, creche, small manufacturing unit, catering unit, kennels, or cattery.

The bungalow is a property of distinction, finished to exacting standards throughout. A solid fuel stove with red brick surround takes pride of place in a luxurious sitting room which has the added benefit of a back boiler supplementing the heating system. A log burning stove in the kitchen / diner creates a cosy atmosphere during the winter months. Both rooms along with the master bedroom have access to the south-west facing terrace making indoor / outdoor living seamless.
